First, I would like to say how much I rely on your station for unbiased news. Yours is the only station that I feel I can trust for news. ABC would come next. I don't listen to other stations. One day they will wakeup if they want to do business.

The reason I am writing is to let you how much I disliked a guest you had on Wednesday 5th. His name is Lucein Blackwell D- Pennsylvania. This man is a very ignorant, bad-mannered person and not a pleasure to listen to. I hope you will refrain from having him on again. While we have men like him in Congress, we are in a bad way. He almost beats Clinton for his mouth.

Thank you for reading this letter. I am sure it is not the only one you have received about this man.

Sincerely,

[REDACTED]
