

Dear Brian.

I am writing you regarding
a program seen "About Books"
on Sunday, July 13th.

It was a Panel discussion
regarding race and other issues.
The spokesperson was Sonya (?).

There were 1 black, 2 jews,

1 Irish, 1 Italian, 1 Latvian
and no English. There was
"bashing" of the English! This
is so unfair not to have all
races to be "bashed" there to
defend themselves.

I am sure you will not
let this happen in the future.
Sincerely,

O. BOOKS
