

Dear Mr. Lamb,

I am an avid fan of
CSPAN, watching most every
morning. I enjoyed the 90-yr. old
retired female teacher from
Shreveport, ^{LA.} on CSPAN this morning,
Friday, Mar. 24. I was happy
you gave her more time than
usual - I love elderly people
& think most are very wise &
entertaining! She requested you
try to have Phyllis Schafley (?)
on CSPAN, and I would love to
see her on also. My favorite
sources of information are James
Dobson radio program, CSPAN,
and RUSH. I love BookNotes, too.

Sincerely,
