

Feb. 23, 92

African-American (unfortunate)
Representation of colors - the clack of
boots carrying in the flags - sounded ominous
unfortunate, (too military)

The prayer was a beautiful, intelligent,
meaningful gem - would like a copy -

Have great respect and admiration
for the many black Brothers/sisters who
made (or make) their lives positively meanin-
ful - from the humble to those like Ralph Bunche

Summit, D. S.
