Dear C-SPAN2,

Why did you air a group of homosexuals on your station?

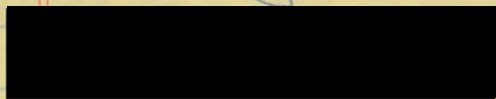

titled: News coverage on gay & lesbian issues. These are a group of people with an abnormal sexual behavior and you are treating them the same way you would treat a race. Why?!?

If you don't care what you air, why not find a group of militant adulterers or pedifiles and

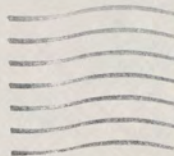

air their ~~own~~ concerns.

Their whole existence revolves around sex w/ someone of the same gender. Why do you think that deserves special attention? Is it ~~so~~ because that's what they want? Come on, C-SPAN use some moral judgement, please.

Sincerely,

Tigard, Oregon 97223
