

I used to be a C SPAN junkie, but your pro NAFTA position has turned me off to C SPAN, and I'm sure that other viewer's feel the same way. You only push Pro NAFTA WRITING'S, OR HAVE PRO*NAFTA PEOPLE ON C SPAN. You like all the major networks have a black out on people who are against NAFTA. So you have proven that you are not hi ng but a bunch of ELITE'S, who are selling the working American's and out nation out for your own personal greed and gain. Your nothing but damned trait or's, and I rate C SPAN just like the other major networks--YOUR ALL A BIG OVERFLOWING SEWER, AND YOU WILL EVENTUALLY DESTROY AMERICA WITH YOUR GREED.

WHERE ARE YOU ELITE'S GOING TO HIDE WHEN THE SECOND AMERICAN REVELUTION BEGAIN'S?

A year ago, I would have fought to keep C SPAN ON cable here in Sioux City Iowa. Today, I hope that our Cable C. takes you off the air. If you believe in Fairy Tales, then you will believe in Nafta, but we all know that Fairy tales are not t rue, and neither is the stories t hat your pushing agout Nafta. And if your for Nafta then your for slavery. Nafta stinks and so does your pro nafta posi tinn.
