

Dear Sir:

5/18/92

[REDACTED] & kind of
old-fashioned. During your morning
show on 5/18 I heard a caller speak
of our President as a "SNEAK"
I was taken "aback."

My feelings exactly, true. But I
wouldn't dare to say so openly. My
upbringing forbids it.

George Bush - A mean & vengeful man.
Liar! Anti-Semite! Only interested
in the welfare of the rich. Why any
working-man would vote for this
"F-n-sno" befuddles me. But I wouldn't
dare to say so openly.

My upbringing, of course!

A Reagan Democrat!
