

A third honest man! in my opinion - Sept. 24, 1991
Ret. (Diogenes).

Walter Pincus: Good Reporter Good Person

For years I've felt the Iran Contra
situation was worse than the Watergate -
tho I was not a Nixon enthusiast. (yet I feel
he deserves credit for China ~~and~~ possibly
one of the most intelligent of presidents.)

Altho my husband - a Swede - N.E. raised
a CPA and the 7th of altchast - voted for Reagan
(I did not - tho we called ourselves Republicans)
Before he died some one asked my husband whom
he would vote for. Reply Dukakis. Altho I see the
extremes of Demis & Rep. I've been on the Dem side - cont. to
Bradley - voted for Dukakis. He need statesmen - a least one.
