Dear Mr. Lamb,

I would like to thank you very much for the opportunity to travel to Washington, D.C., and to take part in the close-up Washington program.

Although I had been to Washington once before on a school trip, I had never seen Washington in as much detail, and as closely as I did on this trip. I had a great time while I was there as well as learning a great deal about our government. This trip has made me more aware of my position in society. The trip showed me that our representatives are hard working, and trying to keep our country running smoothly. I learned that we have the power to run our own government, as it belongs to us.

I am extremely glad to have been part of this amazing program, and I hope that others will be able to share my experience in the future.

Sincerely,

Mr. Brian Lamb
