Dear Brian,

I've just watched the most wonderful program on C-Span. I've been watching C-Span - for at least 15 years - or as long as you've been on. Retired in 1980 - and so I'm "hooked". I love "Washington Journal" - I don't miss the morning show - every morning.

Seeing your building & office this morning - as well as your "Employees" was great. This program is the best on the air. I love Marge Cruz - she's so nice & pleasant. I like her smile - she handles "you" real well. I also like all the "Employees" - Susan - Connie - etc. They are all good - you are the best!

2. I watch "Book Notes" on Sunday nights  
I don't miss it either. I hope the book  
"Book Notes" had back, and enjoy all  
your guests. Marie Kerns Brodum - is  
another favorite. I'm looking forward  
to 'Book No 2' I worked for 44 years  
for an Insurance Co. and was in a  
large office, Lincoln American Life Ins. Co.  
and I felt so at home this morning.

Brown, you are the best - an I.V.  
you are so nice and pleasant - Keep up  
the good work. I love C. Sporn
