

Dear Mr. Lamb,  
What a surprise when  
I walked into the school  
office and there was  
a package from C-SPAN.

in American history is  
as extensive as yours.

As for the books -  
I'm holding onto at  
least two copies. I  
gave one to my principal,  
one to the other middle  
school history teacher,  
and I'll most likely  
save one for the  
school's geography bee  
champion.

I can't thank you enough  
for the copies of your  
book. You're a true  
inspiration to me and  
I hope my knowledge

Sincerely,
