

The Blood-dimmed tide is loosed, and everywhere
The ceremony of innocence is drowned;
The best lack all conviction, while the worst
Are full of passionate intensity.

" **Thank you, Brian,**"

As all those right-wingers with automatic re-dial, begin their remarks. . . before they launch into their (*scripted?*) rap. . . "I'm a first time caller, (yeah, sure) and a C-Span **'junkie'** (there ought to be a **12 step program** for poor losers), and (*fill in the blank*) the President is a (*liar, lecher, draft-dodger, tri-lateral commissioner, how many of these kooks are you obligated to take calls from?*)

This morning was something else--with the poor NY Post Ms Orin being interrupted, bullied, and insulted by those two guys, one from *Newsweek* and the other from the **MOONIE** *Washington Times*! Why don't you guys let people know that the *Washington Times* would be insolvent if it weren't for the cash provided by the former felon Rev. Moon? Molly Ivens was on your show once and refused to take callers because, as she said, it is one of the **most notorious** ways that misinformation enters the national consciousness.

I think you should not only make a more **credible** attempt to be **fair** in your choice of guests and the way you allow the women *and/or "liberals"* to be interrupted, insulted and otherwise shouted down but is there anyway of screening your calls? *I recognize some of those old biddies myself!* At least **try** again that novel idea of asking your callers who they support and get an *equal number* of Clinton supporters to balance the "*Born Again Death Squads*" that have your number on their permanent "*Insta-Dial*" feature telephones. The *majority* lets the *minority* talk in Congress, why not on C-Span?

Sincerely,

LA, CA 90031
