The Press & Courage of the President

Dear Susan,

Thank you so much for your program of this morning.

Yes, this coverage by CNN & the L.A. Times is important. Character is important! There are many things swirling about the Clintons right now. So many, in fact, a special prosecutor is called for.

It was obvious to this listener that the Clinton supporters have been instructed to be out in full force to call your program & defend him.

Keep up the good work. Everything must be covered!

Sincerely,

P.S. Tried to call - but, as usual, could not get through!
