

~~SECRET~~ SPECIFICALLY spelled out.

4- The Top Cellulose Plan is a complete fraud. 1/3 of the plan specifies cuts. but that 1/3 comes directly out of Clinton's package. The other 2/3 of the plan, DOES NOT SPECIFY CUTS.

5- Reaganomics, Voodoo economics, & Trouble down economics. That is 12 years of disastrous economic policies by Reagan & Bush.

6- ~~Spent~~ Borrowed Spent. Borrow & Spent. it didn't work.

7- We also have 176 Republican House members of GRIMLOCK. That's correct.

8- Republican like Dornier, Doh, P. Gram. These are all a bunch of Hethers, Dictators & Dictators. A bunch of loud mouthed windbags, forgers, mountaineers, know-nothing & propagandists. In front of what? They belong in CRISTOLOS Senses & NOT HERE.

9- Get print this. TELL THE PEOPLE THAT MR CLINTON HAS GIVEN THE WORK INFORMATION WITHIN ON THE HONORARY - YOU KNOW - HOW AGAINST THAT IS RIGHT - THE WORK INFORMATION.

Clinton is going to reveal what you & fool all the Republicans and then. He's bet on that.

Well then men. Reagan & Bush should both have been IMPEACHED for their role in the Iran Contra scandal. Plus, Bush should have been impeached for the October Surprise, misuse of Trust Funds, etc, Soc Sec, Housing & Airline funds, illegal and to cheap & last but not least IN CONSPIRACY.

All the ~~the~~ Republicans of Bullock & obstruction - 44 in the Senate & 176 in the House are ANTI-DEMOCRACY, ANTI-LIBERAL & ANTI-CLINTON. The proff's just look at all the notes made for the past several months. All noting the same way. All of one mind. Who's fidelity who?

That was a good show - for the Republican - that is.

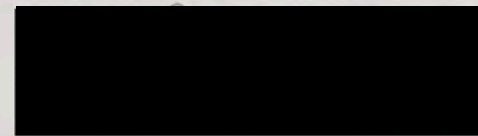

Next time let's see a fair show of Democrats and show. On any show.

Myself I did a good job being out numbered & all.

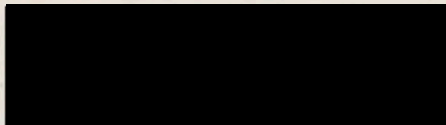

In front of TOP stands for? Do you?

Open Opposition Part. Boy, ain't that the truth.

Yours truly,

For you Mr 89/07
