

Dear Sir:-

I watch C. Span because of the unbiased response from the people you have in your employ. I have never heard a harsh word from anyone.

I look forward to the 9:00 A.M. C. Span program it gives me knowledge of newspaper headlines all over the country and I wonder how different the press look at the news.

I am eighty years old and I really get upset when the Democrats appear and condemn our President who is really trying to make this a great country.

My favorite hours on C. Span are 9:00 A.M. 12-3:00 P.M. 6:00 P.M. - 9:00 P.M. I also think the house of representatives is very educational.

Thank you,
