Dear Mr. Lamb,

On your 1968 - The Year and its Legacy program, which I have very much enjoyed for two nights now, ~~on~~ Tuesday, 7 Sept., you were interviewing Hugh Sidey, Roland Evans and Mary McGrory. It was interesting, to say the least; but I am writing to express my great appreciation to you as a person (not just host, or CEO) for adroitly keeping Mary in the discussion without any (obvious) problem (showing) of those two guys and their towering egos plus overriding verbal pretensions. Congratulations! Of course we (audience) also got the bonus of a much more humane + balanced presentation with McGrory's input included.

Thank you for C-span, and especially the idea behind it of how you all interview + lead discussions with gratitude + affection.
