The Hon. John Linder and
The Hon. Collin Peterson

Dear Congressman Linder and Congressman Peterson;

THROW THAT TEA OVERBOARD !!!

What is left of the independent owners of news organizations should be great allies in your tremendous undertaking, and those of us who hate a media taken over by special interests like "Chain Gangs" Gannett, etc., will see the potential for legitimate voices in America, freed of manipulation.

I hope our independently owned local paper will do something good.

Sincerely yours,

C-Span broadcast a presentation

in Atlanta of Representative Collin Peterson
(D., Md.) and John Linder (R. Ky) on the
National ^{SALES} 1st Plan and repeal of the 16th
Amendment. The MANY considerations and "gotchas"
were covered. The wrap-up was so valuable I
would ask that you publish a transcript, either
as news or as an AD sold to someone
concerned. 1-800-FAIR TAX should get you a
copy of the transcript -
