

Dear Mr. Lamb - Brian,

Bronx, NY 10460-3803

the Turkish Government (military)
has been committing genocide and ethnic
cleansing against its own Turkish Kurd,
minority, for years on end, as they slaughter
tens of thousands of Turkish Kurd, men,
women and children. Questions - Why is
Turkey our N. A. T. O. ally? Why are we
supplying the Turkish Military with jet
fighter bombers, tanks, artillery to murder,
tens of thousands of Turkish Kurds? Would
Russia be applauded if the Russian Air
Force bombed Turkish military installations,
oil/rail lines, power grids, communications
centers, airports and Turkish cities themselves
unless the Turkish Government agrees to

O-KOSOVO

surrender, a huge part of eastern Turkey
for a totally independent, Turkish Kurd,
State. Is President Clinton, doing everything
to persuade the Russians to bomb
Turkey, to halt genocide/ethnic cleansing
of their own Turkish Kurd, peoples..

President Clinton and Prime Minister Tony
Blair have said, "Bombing a sovereign
nation, into the Stoneage, is a noble
cause." (Yugoslavia) I am sure Clinton and
Blair would call the bombing of
Turkey by the Russian Air Force a
noble cause, too. (Unless they are NTH
Degree hypocrites.) The U.S.A. should fund
Russia, to bomb Turkey, to launch another
Clinton, fiasco.

Respectfully
