Saw your program this morning
with Michael Moore and Armstrong
Williams. He couldn't hold a candle
to Armstrong. Wish I had Armstrong
address. Maybe first Mr. Moore should
learn how to dress. What a slob. Talking
about the Clintons marriage + Dole marriage.
Does he know Bob Dole has a daughter as
well as the Clintons. Chelsea was raised by a
nanny that deserves the credit, not Hillary.
Mr. Moore doesn't know what work is. Just
a smarty **O.WJ**
