Dear Mr. Lamb:

My husband and I watched the Round-
table discussion this morning with the 2
married couples. The married couples concept
has been very interesting.

We appreciated your honesty and candor
as the gentleman quizzed you on your personal
life. How well you handled the questions!
Perhaps you feel embarrassment in the question
he posed as the C-Span audience watched.

Actually what we say to the episode
is that you became more one of us. The
human side of the questions has made you
one of us.

perhaps as we watch you day after day we look on you as a personality rather than a person with a life to live.

What I am really trying to say is
Thank you for handling the situation
in such a professional manner.

Bless you!

Sincerely
