

Re: Medicare - Social Security Jan 4, 1990
A plan like CAMPUS, for
military dependents. Pays 75% of
everything - including "your" forgotten
"PRESCRIPTIONS". PERFECT plan for
Medicare. Simple, efficient, definite
benefits. Not this wondering about what
is covered, yes - long term care,
home care & yet we can keep our
home and enough money to pay
property, city, school, county, taxes &
insurance on property.
