I am surprised and disappointed that you would ask Mr. Brinkley the question "Why would Conservatives say the Press is liberal" (not a direct quote) If you can't see the difference, you're not watching CNN (the greatest offender). Evidently you don't think the Democrats are misrepresenting what the Republicans are trying to do. I will admit that the media is beginning to be more fair but it took a long time - about a year.

We Republicans have ~~waited~~ waited a long time for this "Revolution" - at least 30 years. Sincerely

O-BK
