C-Span-

Dear Brian & others,

1. Thank you for C-Span. I've gotten all my cable relatives watching. Now that I have all other channels I watch you more.

2. I do not have Kay machine and I can never get through on telephone.

3. I'm neither Dem or Rep. and believe C-Span has/is doing a fabulous job presenting all sides.

4. It is abominable that Pres. Clinton is allowing Black Caucus & a strongman force Haiti policy. That Gov. Chiles & Florida politics controlling Cuban policy. None of our youth should be used to invade Haiti for liberty. We don't try to enforce liberty in China, Saudi Arabia, Libya, Bosnia elsewhere. I'm disgusted with Clinton. He didn't fight for liberty in Viet Nam & lied about it. Why should he send others to fight for what he wasn't willing to share on him.

5. Hope another Dem runs in '96 & wins or another Rep. Never Bill Clinton. He's a joke - a sad joke. Never a truth shall pass his lips.

Sincerely,
