Dear Mr Lamb.

It seems to me that C-S pan is not for the american people unless they are rich. You wont take our phone calls or answer our letters because we dont believe in the tax-payers having to pay for the S & L, Panama, or other JAP and Commie friends of the dictator G. Bush.

Dont worry I don't vote Democrat either I have been one since I was 21. Which is 46 yrs ago but now I am Ind.. Why! Because I see what scum the Democrats are putting up. Like our Mayor, Gov-Reps. and Senators.

Our Mayor Dix a Dem. allows this town to be run like Hazzard and he is like Boss Hogg and us Indi are the Dukes and we intend to get rid of the drug pushers and murders in this town by the ballot box. Then we come to the Gov. who is baby killer who believes in Abortion. Then our Rep. Bill Hughes who does nothing about crime here but in the rich towns of O.C. Southfield & Ventnor-Margate he helps them out. And Senator Bradley will sell us South Jersey he will get very little votes.

and the other trash you are for is Thatcher who kills the Irish-Catholics every day but the I.R.A. will get her.

I done you will put this on the air, but I know you won't.

yours truly
