Dear Steve, Sue, & Brian:

I really appreciate and enjoy C-Span. I appreciate your unbiased, trying to be fair, trying to tell the truth reporting & programs! I'm addressing this letter to you three because you're my favorite hosts, but the rest are fair, courteous, and unbiased, too. You all are really doing a great service to the American people, especially giving them a voice to call in! I have only gotten through one time back in March when Sen. Lew was on and it was Iowa Caucus. I have tried many many times & never got through due to lines being busy. I have found in listening that there are 30 day policy rule-breakers periodically. I have tried even calling 5-10 minutes before the announcer stated we will be taking your calls soon and I still could not get through. However, I will not give up. I'm not the give-up kind!

My family and I do watch your program daily. We are fed up and disgusted with the news media on CNN, ABC, CBS, & NBC because we see biased, distorted truth news reporting. It used to be many years ago that we were able to hear unbiased reporting, both side of the story, and pretty much of the truth. Today we hear over these channels much propaganda & what the producers who I & my family believe are far left liberals, who push abortion, anti-family values and "gay" lifestyles over life, family values and truth.

So I highly commend you all on C-Span and

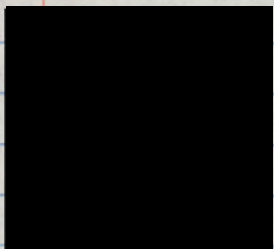

urge you all to keep up the good work of
unbiased, truth telling, both sides of the
issues programs & reporting.

Thanks C-Span. God bless you all and
God bless America & preserve our sovereignty
which I believe is threaten! I hope America wakes
up before it is to late!! & U all!

Sincerely,
