Re: Brian Lamb's Booknotes

Dear C-Span,

I have been meaning to write this letter many, many times. I want you to know how much I appreciate your programming, and particularly Brian Lamb's booknotes. Booknotes is the highlight of my week. Mr. Lamb is the best interviewer on TV. I am so pleased that he has stimulated a real interest in so many books, and writers that wouldn't even be mentioned in the world today. What a tribute to your station to have such high quality work.

n Thank you C-Span for you diligent work in covering so many events in Washington, and around the world. You are an example for all networks. I don't know what I would do if I didn't have your coverage, without the "spinners" to twist and interpret.

I hope that our planet will always have a C-Span to show us what is really going on. Please keep up the good work, and don't let regulations take you off the air. FREE SPEECH IS WHAT WE NEED MORE OF.

Again, thank you, and a special thanks to Brian Lamb for his efforts to keep us all well informed.
