Dear Mr. Murphy:

I find C-SPAN's programs most educational and significant. I have seen an 800 phone number a few times on the screen that says where to call to subscribe for an amount around \$26?

I know I am missing many important programs because I don't have your program schedules. I suggest you might flash that number and subscriber information on the screen more often as I feel there are many other viewers who would want to subscribe.

Thanks for your excellent job in keeping the public informed!

Sincerely,

PS: Please send me subscriber information so that I may subscribe.
