Dear Brian, and all at C-Span,

I earnestly hope that, when you review the "split lines," you will discontinue their use! I've actually tallied the calls for days. One day, out of 12 calls, two supported Dole. I've even timed the calls. Another day, seven minutes + went to bashing Republicans compared to less than 3 minutes in support.

With your experience, it should be as obvious to you as it is to us, your regular viewers, that Democrats are using all three lines (and lying to your screeners) to undermine the GOP.

It is inevitable that regular C-Span junkies (us) will tend toward conservatism; we're informed, through C-Span. Please, please, give us the truly open lines back. The Democratic propagandists are using them (all three) outrageously. You must have noticed! O.W.J R
