Dear Brian Lamb,

Fri 7/30/93

Brian, here we go again!! To pay on your
Fri. Q. & A. C-Span Conservative Council Table panel,
you had Mitchell, Davis & Daley. At worst, "all"
Liberal media. Andrea Mitchell was so pro Clinton
I could picture her sitting on his lap.

Brian due to C-Span most Americans
now know what our congress people are doing to
us. Unfortunately most of it is negative. I have
given up on you putting either independent, libertarian
or republican on your Fri. Q. & A. panel. My coat of
arms & stamps is mounting & I am not one of the
rich, biased media you have on your show.

Brian, we all now realize due to C-Span,
most of the media is Liberal biased. It is too
bad not all homes can get C-Span. Even here
in W.V.G. we are denied C-Span II due to
our cable outlet (Adelphia) who refuses to
grant our request.

Very Sincerely,

Response Please—
