

12-21-93

The first time  
I've ever written  
a negative comment  
and I have been an avid  
viewer of C-SPAN since  
its inception and written  
many times, always  
highly favorable.

I just wish that  
you hadn't gone along with  
the media in helping to  
smear Pres. Clinton, what  
a Christmas present!

I am listening  
right now to David Brock  
trying to justify his actions,  
I didn't believe his accusations

Pg 2,

against Anita Hill,  
nor do I believe  
him now, I  
hope that you  
never have him

on again, C-SPAN is  
really above this kind  
of allegation-spreading,

I do appreciate the  
usually excellent C-SPAN  
programming and know  
that it will continue,

Merry Christmas and a  
Happy New Year to the  
entire C-SPAN staff,

Sincerely,
