~~Dear George,~~

~~I hope this letter finds you~~

Hello C Spana,

I would like to say thank you for covering the Government in Washington D.C., I believe that your station is waking up a lot of people to get interested in Government, to find out what our elected officials are doing with our Tax Dollars. Also I think your program is excellent for people who cannot read, and would like to know also what's going on.

~~I am a high school student~~
~~(C Spana)~~ and a lot of students

Average & average are now starting to watch C Span while there is school for extra credit, and they are starting to become involved with their government, and also starting to register to vote. Also if you can have some of the Leaders from the U.S. ~~Sen~~ Senate and Congress (Republican, Democrat) appear on your show that we can call in and let them know that every since the Thomas hearings, and the President and the Republicans are worrying about the rich and their ~~all~~ on pockets, people like my self and

others who are unemployed and losing everything, People Black and white Hispanic Jewish etc etc are getting ready to go to the polls in 1992 and we are going to show them how it feels to be out of work. As long as the Current Administration continues to sell America out to Foreign Countries, they are going to see a big change in Washington next election year.
