Dear C-Span

Just wanted to thank you for your program. Don't know what the nation would do without it.

Just recently our local T.V. station changed owners and a few weeks later we received this notice in Aug. billing. We ^{were} shocked to learn the reduced hours your program has been allotted, making our access nil.

Don't suppose you have any influence in this kind of situation but felt it would be of interest to you.

I wrote a letter of protest to T.C.I. but received nothing in return but the next month billing.

Sincerely —

G-Cable
