Yesterday p.m. we listened to Mr. Kincaid
& a Jeff Cohen debate fairness in media -
in a call-in program - Mr. Kincaid is a
decent & honorable man & what he said seemed
true - Compared to Mr. Cohen's deated remarks,
we deeply resented Mr. Cohen's name calling
& slandering of Mr. Kincaid - What Mr. Kincaid
said is true - Nearly all journalists & media
people are liberal & either choose to ignore or
criticize the conservative side of an issue -
Sad but true - We like your fairness -
