TO C-SPAN PROGRAMMING DEPARTMENT
TO WHOM IT MAY CONCERN:

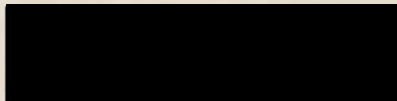

I cannot begin to tell you how angry, disappointed and even outraged I am at your program schedule for this day. On the very anniversary of the assassination of President John F. Kennedy you chose to devote the majority of your program day to programs on Presidents Johnson and Eisenhower. I was appalled at the insensitivity and disregard for the memory of President Kennedy that this displayed. I cannot believe you chose to honor the presidents who came before and after him and completely ignore the possibility of programming to recall the contribution he made in his short time as one of the most important leaders of this century.

A very disappointed viewer
