

July 16, 1996

So you gave in to the
Whimsy bunch of liberals
and split the phone calls.
I cannot see why they couldn't
get a phone call through the
other way as well as republicans.
You are getting more and
more liberal all the time. The
only newspaper stories there
are, practically, are liberal
newspapers. That's the reason
for using newspaper stories,
just to get your liberal views
discussed.
