

[REDACTED] Newberry, Michigan 49868 6-25-93

Your Friday Roundable discussion of "fairly young" and "fairly old" reminded us of something which happened when we were in our late 30's. A sales person sending us to another part of the store (upon being asked what we looked like) answered, "I'd say they're medium young." Sounded like the way most people like their steaks cooked!
