C SPAN

I am writing again to complain about your unfair practice of having Republicans on the air and showing Clinton and Gore in a bad way.

Friday I watched in the morning and of course there was Dan Quayle. you even repeated it later. Then today (Sunday) there was Ronald Reagan and George Bush. It is 9pm CST and you are again repeating the same speech. all in the same day. your panel discussions are all one sided.

On the Quayle show, the first call was from Virginia, clearly a set-up for Quayle to knock Clinton. The next call was from Houston. The same set-up. you don't even try to be fair.
