

Dear Mr. Lamb:

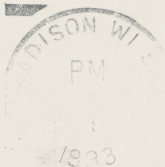

My favorite channel is C-Span. My favorite on C-Span is BOOKNOTES, and the various interviews you conduct. I particularly enjoyed your recent interview of Madelin Cartwright and Speaker Boothroyd. Great job.

Am curious about where you hail from. On a recent interview you said you came from an area where MONTICELLO was located. The interviewee had pronounced this MONTICHELLO. Your somewhat tangy but pleasant voice reminded me of my relatives in Monticello, IL. My mother, Flossie, was born and raised near Monticello IL (in [REDACTED] IL). The Lambs located there befriended my mother when her father died (she was age 3). Were you from that area or do you have folks there? I will always be grateful for the care my mother received. She was born in 1892 and died in 1976. There are many Monticellos scattered throughout the states: one right here in Wisconsin. Looking forward to hearing from you and keep up the good work. THANKS.

Am planning to write Madison, Wi 53711
a book on Flossie. At age 78, am I too old?
