*Have they lied to us 9/4/93*

*so long that they don't dare tell  
the truth now?*

WHY DO THE MEDIA AND THE REPUBLICAN POLITICIANS GO  
BONKERS WHEN ONE DOES NOT SWALLOW THE WARREN COMMISS-  
ION PROPAGANDA?

In my opinion, they are far less  
credible than those who believe in conspiracies!!  
As Oliver Stone says, "This is the wrong city in  
which to ridicule anyone for believing in conspira-  
cies"! (Referring to Washington, of course.) Dan  
Thomason (Scripps Howard) was downright crude and  
vulgar concerning the Kennedy assassination--but, then  
what would you expect from someone from Shelbyville,  
Indiana? I know--I have a parent from that Republi-  
can reactionary state!! Why don't you interview Dr.  
Cyril Wecht, Col. Fletcher Prouty or, perhaps, Frank  
Mankiewicz concerning the Kennedy assassination. We  
do not need more people like Gerald Posner to spread  
more lies. By the way--Why his double identity or  
however many he has???
