Dear Brian Lamb, What a busy
phone!!
Great programs in N.H. What wonderful
experiences for you & Susan Swain, etc.
Very interesting man - Richard Nixon. He
should be Secy. of State or in U. R. Bush only
chooses "clones."
I am hoping you will discuss the lead story
in L.A. Times today - in your Mon. A. W.
program 'Henry Gonzalez was correct in his
opinion that both Reagan & Bush were impeachable!
Ah Me! Politics! Sincerely,
[REDACTED]
