

I watch C-Span because
it affords me the oppor-
tunity to learn about
government in action.

The knowledge I gain
helps me become a
more responsible citizen
of our great nation.

It gives me
a feeling of
self-worth and
self-respect.

as an individual when
I become more aware
of the opportunities and
obligations each person
has in voicing his or
her views and convictions,
thus being a part of the
government as expressed
in the Constitution
of the United
States of America,
"a government for
the people and
of the people."
