

Brian Lamb

Sir: I am a constant
viewer of CNN CSPAN 1 & 11.
As an old lady of 84

I can recognize & name
95% of Senators & about 1/3
of the Congressmen.

I know every member of
the President's cabinet —!
I adore the "Piez" though
at this stage I have
NO designs on him & I, like
Hillary Clinton as well!
on your program with
Clifford Krauss, John King
Sally Donnelly
am

I agree with your 9.55 caller
completely!!

as for the so-called "defeat"
of Clinton ^{it} could
turn out to be a VICTORY
in disguise — I
believe the REB won't
have the Chutzpah to
try that trick again so
soon !!!

Around about Gramm-Dole

1. abrasive personalities
2. Gramm is the worst —
the greatest foke in history
3. Personally I can't
stand the sight or sound
of either.
4. Presidential material
I give them both
a Zero plus

If you have read my
scrawl so far I must
say that people ~~who~~
stand beside a man
of such stature — &
who inspires the
country & the world
to great heights —
after about 90 days in
office its too bad
that this "Pres" had NO
honeymoon with the Reps
and Perot himself
has reneged on his
remark on electing Jay
"Let's give the President
a chance!"
