

There once was a time when "reporters, Journal-
ists, & Media Persons" reported, or commented on
the news. Today we have Sunken to the point that
those media persons are the news. Over & over
we see such people as Wallace, Donaldson, Rothen,
Stahl, Sawyer, Brokaw, Blitzer, Gump, Curie et al.
become the news. The custom of "roasting" used to
be of entertainers and their choices, but it has
fallen to be the self congratulating, self aggrand-
izing province of Journalism's elite snobs. Who
the hell cares that Sam Donaldson, Mike Wallace,
Don Hewitt, et al. have looney habits and sappy ways.
They are only meaningless celebs of the very in-
known media elite! Sadly they pressure and bend
which political figures, mostly left wing,
liberals are favored! For my part, we'd all be a
lot better off if C-SPAN left these gooney little
self inflicted pranks off the air! WHO CARES?
