

Mr. Lamb,

Once more I am writing a letter to Congradulate C-Span for its great programming. Its choice of guest cannot be surpassed. Being a conservative I always get a kick out of liberal media people and liberal Democrats who praise Clinton for his gay programs and his lifting of restrictions on abortion etc on one hand; But choose not to answer any questions on his tax and spend programs. They always say in one voice "give him time" "give him time". The same bunch of liberals bash Rush Limbaugh, Walt Willkings, Representative Hornan etc. for telling the truth about Clinton, because it goes against their liberal bias. Brian, keep on putting these liberals on, as they are helping him to sink his own Administration.
