Dear Sir,

Your program is just elegant & provocative, broad-based, innovative - everything one could ask for in T.V. I watch it every time I have the opportunity - except for one minor irritation.

When Connie Jooble (sp.) m.c.'s, I turn it off. She is cold and lacking in tact that I can't believe you retain her along with the other gentle, but in charge, interviewers. She should be sent back to the position of head guard in a women's prison!

Otherwise - keep up the good work.

Yours - [redacted]
