Brian -

Thank you for being such a great host at C-Span. We really enjoyed having lunch with you & watching the taping with Robert Kurson. If only you could have heard the groans & squirming when he described getting the needle in the eye to counteract the infection.

We managed to "do" the Indian Museum, Civil Space in the District & at Dulles, the Hirshorne, WWII & Korea & the Air Force Monuments. Plus we visited Ned's cousin, ate at AV's & the place for Peking Duck in Virginia. All in all it was a great vacation - made very special

Maybe you can join us on the chase boat next summer for the
Lincoln trip.

If you have time - we would love to take you out on the
Chris Craft on Lake Freeman when you are in Lafayette.

P.S. It is dry & we need some rain for the crops.
