

C-SPAN
CARE²

4/19/84

To whom it may concern:

I watch C-span because I care,
it's obvious you care (C-span)
resulting in the mathematical
equation $CARE^2$, hopefully
no one will ever come along
to take the equation apart
resulting in $\sqrt[3]{care^2}$.

Number example $2^2 = 4$

$$\sqrt[3]{4} = 1.45$$

The simple numbers clearly
show what can happen if we
allow someone to unravel our
relationship. 1.45 clearly is less
than 2 from whence we started!
