

To Brian Lamb,  
Go back to sleep, Brian.  
You were so overawed in the  
presence of 2 billions bucks that  
you couldn't seem to complete  
a sentence or ask a entire question.

Only missing was for you to  
wind up the 'interview' by  
kneeling and kissing the ring  
of the hand that spawned all  
that dough. He did make that  
money from the government (us)  
and inside influence, didn't he?  
Very truly yours,
