"NEW WORLD ORDER"
KEEP AMERICA INDEPENDENT

Jan. 6, 1997

Brian Lamb

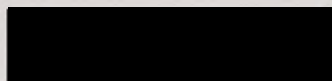

C-SPAN - Jan 6th

Brian,

I have been critical
of you in the past.
mainly because of my
deep concern about
the infamous New World
Order coming down on us
with the destruction of our
constitution, loss of freedoms
and rights in a one
world Order of the Global
and national Gestapo
under U.N. Control.

To-day I was moved
by your remarks - your
candid answers to the
questions and your
attempts at being fair and
unbiased

Then it led to Indiana
then to Purdue then, to
my surprise, Lafayette,
and the Kingston Trio. I knew
O. LAMB (now deceased)

Slave Guard. I belonged to the same meditation group under Muktamanda, an Indian Guru, and I am a former resident of Lafayette. I was a resident in the housing complex in a model home next to the owners of the prefabricated National Homes of Lafayette. My husband associated with the Purdue Aviation School oversaw Hugh Hefner's Black jet at the W. Lafayette Airport. I trained the trainees under FAC regulations and used the plane for groups when not in use. I was also a part of the glorious members of the Big 10. When I was watching The Rose Bowl

game my mind flashed back
to the Purdue / Ohio game. I
couldn't go to ^{one} game was sad.
my daughter was sick
and I had to remain home.

Brian, may I thank you
for C-SPAN. Let up hope
the D/R Nickering will stop
and they will get down to
business - OUR business.

God Bless you in 1997.
May we return to our Con-
stitution and our Bible -
the two sources that have
brought this nation through
200 plus years. There,
beaucoup
