Dear Friends of C. SPAW

Yesterday August 10th, 1998 I was interviewed by Bob Kelly and his crew, along with the beautiful yellow bus, at the John Paul Jones House in Portsmouth N.H. And the place where a time Capsule will be buried in Oct. for Portsmouth's 375 Anniversary to be opened year 2123.

Let me tell you that this crew were the greatest, kind, Considerate and did their work with professional etiquette. I enjoyed them, just thought you'd like to hear from us.

Sincerely

Portsmouth, NH 03801
